## CELEBRATE PARK(ING) DAY ON ALVARADO STREET AND LEARN ABOUT YOUR CITY

**Friday, September 15, 10:00 a.m. to 2:30 p.m.**

Monterey, CA. – This Friday, September 15, 2023, from 10:00 a.m. to 2:30 p.m., the City of Monterey will transform parking spaces into temporary parklets in celebration of PARK(ing) Day. An annual international community event, PARK(ing) Day reimagines parking spaces for an entertaining and creative way to connect with community members. These mini parks feature green spaces, outdoor seating, and fun and educational booths from participating divisions: City Clerk's Office, City Manager's Office, Fire - including the Community Emergency Response Team (CERT), Forestry, Harbor, Human Resources, Library, Parks, Parking, Police, Recreation, Sports Center, and Streets. Visit the 400 block of Alvarado Street in Monterey to join in the celebration!

“We invite everyone to come downtown and meet staff from a wide variety of divisions in a feel-good, fun, festive Friday atmosphere,” said City Manager Hans Uslar. “It’s a great way to take a brief break from the normal routine and enjoy the community atmosphere outdoors in a new and different way.”

*PARK(ing) Day is an annual international event where parking spaces are temporarily transformed into parklets for art, play and activism. Learn more at <https://myparkingday.org/>*

Let's celebrate
