**Death Investigation**

On Monday, April 8, 2024 at approximately 9:00 P.M., Monterey Police Officers and Monterey Fire Department personnel responded to the Marriott Hotel, 350 Calle Principal for a report of a female "dangling" from a balcony on the fifth floor.

When Monterey officers arrived they located the female unresponsive and having suffered major injuries on the Pacific Street sidewalk. Monterey Officers immediately started CPR and continued life saving efforts for several minutes until they were relieved by Monterey Fire personnel.

The female was transported to the Natividad Medical Center and ultimately succumbed to her injuries.

Monterey Detectives responded to the scene to conduct an in-depth death investigation. The investigation is still very preliminary, but it does not appear there was foul play involved.

Anyone with information regarding this incident is encouraged to contact Detective Sergeant Greg Galin (831) 646-3872, or to remain anonymous call (831) 646-3840.
