

TRAVEL ADVENTURES

The Monterey Senior Center has many exciting travel adventures scheduled through December. Join the Golden 55 Travelers for everything from day trips to San Francisco for shopping to overnights in Las Vegas. Coming up this fall, leave the driving to us and enjoy the musical “Guys and Dolls” at the American Musical Theater in San Jose on Saturday, October 13. Then, there is an Ag Venture Tours trip to Garlic World, with wine tasting at Guglielmo Winery, and a picnic lunch at Gizdich Ranch for a short tour and apple pie on Sunday, October 28. Tours are open to the public and depart from the Monterey Senior Center. All tours are on a first-come, first-serve basis. You can pick up a Golden 55 Newsletter at any of the City of Monterey Community Centers, the Monterey Public Library and the Monterey Recreation and Community Services Office. You also can call the Senior Center at 646-3878 for more details or visit monterey.org/rec/golden55.html

Volunteer Hot Picks....

The invasive kelp “undaria” is still active in our harbor. Groups, as well as individuals, are encouraged to help with the ongoing kelp removal project.

The City’s CERT - Community Emergency Response Team - has been very active. Join this dynamic group - training takes place on a quarterly basis and the skills learned will last a lifetime.

Like teaching? We are looking for a volunteer to teach basic computer skills to seniors. For information about these and other volunteer opportunities, please visit monterey.org/volunteer or call 646-3719.

Monterey’s MVPs

Monterey Volunteers in Policing (MVPs) provide an extra safety net for the community by patrolling downtown Monterey and Cannery Row, checking on vacant homes during summer vacations and holidays and handing out glow necklaces at Halloween. MVPs stop at the stores along Alvarado Street on most Tuesdays to remind shoppers to move their cars before the street is closed for the Farmers’ Market. Often serving as community ambassadors, Volunteers in Policing answer questions from visitors, give directions and proudly represent City Police programs at special events. Anyone interested in the MVP program should contact Officer Stidham at 646-3819, or Community Resources Coordinator Tish Sammon at 646-3719.
