

## Memorial Donations

Create a lasting memorial to a friend or loved one member by donating funds to the Library for the purchase of one or more books in that person's memory. You may designate an author or subject area that was a particular favorite of the individual, or you can leave this choice to the discretion of the Library. After the book has been selected by Library staff, a special bookplate inscribed with the individual's name will be permanently affixed to the inside front cover. You will be notified when the book is ready to be placed on the public shelves, so that you can be the first to examine it.

This is truly the gift that keeps on giving, because the book will be well used and deeply appreciated by Library customers for years to come. Your friend or loved will be remembered throughout the community in a unique and special way.

To make a memorial donation, simply complete the information on the form below and return it, along with your check or credit card information, to:
