

Bug Hunt

Take a walk in your backyard or neighborhood with your child and hunt for bugs.

Things you might bring: magnifying glass, camera, and bug collecting jar or box, butterfly net, bug identification book.

Where to look for bugs: in the air, under leaves or rocks, on flowers, in the grass, on the sidewalk, etc.

How many bugs did you find? _____

Did you find any bugs that can fly? _____

Did you find any bugs on the sidewalk? _____

Did you find any bugs in the grass? _____

Did you find a spider? _____

Draw a picture below of one of the bugs you saw on your walk.
