### **CONSTRUCTION TO IMPACT TRAFFIC ON ABREGO STREET AND MUNRAS AVENUE**

Starting Monday, September 14, 2009, traffic delays and limited detours are anticipated during sewer line repairs and street paving operations on Abrego Street and Munras Avenue from Fremont Street to Don Dahvee Lane.

Controlled two-way traffic and access to businesses will be maintained during construction. All work will be completed by December 18, 2009.

This project is funded in large part by the American Recovery and Reinvestment Act (ARRA) of 2009. Pavex Construction will be performing the work.

We appreciate your cooperation and patience during the construction of this important project. For updated information and project scheduling, please visit the Construction Updates page on the City of Monterey's website at:

[www.monterey.org/projects](http://www.monterey.org/projects). Should you have any questions, please call the City of Monterey Capital Projects Office at (831) 646-3997.
