CALL FOR ART GROUP EXHIBITION PROPOSALS

The Colton Hall Museum and Cultural Arts Commission of the City of Monterey invites artist groups to submit proposals for art exhibitions in the Alvarado Gallery at the Monterey Conference Center beginning January 2010.

Alvarado Gallery in the Monterey Conference Center provides a forum for residents and visitors to Monterey to celebrate the rich artistic and cultural heritage of the Monterey area. Selected exhibitions highlight the quality and diversity of arts and cultural expression in the Monterey area in order to inform, educate and delight Monterey residents and Conference Center visitors.

Prospective exhibitors must be a group of significant established artists from Monterey County or a group of significant established artists living outside Monterey County whose work depicts the Monterey area. Groups who have exhibited their work in Alvarado Gallery during the past five years will not be considered. The application review and notification process will take approximately one month.

Applications with guidelines and selection criteria can be picked up at Colton Hall Museum (daily 10:00 am - 4:00 p.m.) or downloaded from **www.monterey.org/museum**. For more information call 831.242.8743
