### **PRESIDIO OF MONTEREY STREET RESURFACING TO IMPACT PARKING**

The Presidio of Monterey's annual street resurfacing program is scheduled to begin October 17 and completed by December 18, 2009. Following is the list of locations scheduled for resurfacing. Parking and local traffic access will be restricted at these locations during the operations.

Striping removal and crack sealing will be performed between October 17 and October 25, 2009. Resurfacing work and striping will be performed from November 7 to November 13, 2009. Additional striping will be completed the week of December 14, 2009. The schedule is subject to change due to inclement weather and other unforeseen conditions.

A notification from the contractor, Bond Blacktop, Inc., will be sent out 72 hours prior to the actual operations. Vehicles parked on locations where work is being performed will be towed at owner's expense.

We appreciate your cooperation and patience during the construction of this important project. For updated information and project scheduling, please visit the Construction Updates page on the City of Monterey's website at:
