Playground Program

A great drop-in summer program for youth! Recreation Leaders will supervise children at four local neighborhood parks. Each week there will be a special theme and special event in addition to the traditional playground program of games, sports, free play, arts and crafts, and singing! The program will be cancelled in "wet" weather. NOTE: Special activities and excursions may be held away from the playground and an additional fee will be charged for the excursions. Parents should check with the playground leader each Monday morning to see what special activities will be taking place. **Children must register at the playground they will be attending.** NOTE: PARENTS are responsible for picking their children up by the designated time or giving them other instructions. Please send a sack lunch with your child if they will be staying during the noon hour and not going home for lunch.

For ages 5-12 years.
