CLIMATE CRISIS & ACTION
A discussion with California leaders on tackling humanity’s greatest challenge

Climate actions are available and California is leading the way through regulation, social advocacy, and consumer behavior.

Citizens’ Climate Lobby Monterey County, the Center for the Blue Economy, and the Monterey Bay Aquarium invite you to join us as we explore actions that are happening now.

Irvine Auditorium/Middlebury Institute • 499 Pierce Street, Monterey
February 19, 2020 • 6:30-8:00 pm • Doors open at 6:00

Keynote Speaker: Congressman Jimmy Panetta

Panel discussion with moderator Dr. Jason Scorse, Center for the Blue Economy, Ted Terrasas, City of Monterey, Amy Wolfrum, Monterey Bay Aquarium, Richard Stedman, Monterey Bay Air Resources District, and Rep. Jimmy Panetta, U.S. House of Representatives
