Walk & Bike Safe in Monterey

SAFETY TIPS FOR MOTORISTS

1. Bicyclists have a right to use all roads, except most freeways.
2. Don't honk your horn: bicyclists may be startled and lose control.
3. When passing bicyclists allow at least 3 feet of clearance.
4. Be aware: bicyclists might swerve or use the full lane to avoid hazards.
5. Be careful: look for bicyclists before opening your car door.
6. When in doubt, yield to bicyclists.
