Purpose
To provide guidance on public and private efforts to revitalize the downtown by addressing: maintenance and rehabilitation of private property, development of a strategy to attract desirable commercial tenants, potential regulatory mechanisms that are preventing sustainable economic health, circulation planning, streetscape planning, a comprehensive parking analysis, and opportunities for cohesion with the waterfront planning efforts.

Duration
Committee shall convene until completion of any downtown transportation circulation, parking, and waterfront planning analysis and implementation.

Agenda

1. General Update on Downtown Specific Planning Efforts (City Staff)

2. Overview of City Presentation for First Public Workshop on Downtown Specific Plan (City Staff)

3. Focused Discussion on Key Elements that Should Be Included in the Downtown Specific Plan (Committee)
