The City of Monterey is developing Design Standards and Guidelines for the Old Town National Historic Landmark District (NHLD) and Lighting Design Standards and Guidelines for the Downtown Specific Plan area. Draft #1 of these documents have been developed and will be presented at this session. There will also be a street light fixture example to consider.

More information on the project is available at the City's website, http://www.monterey.org/en-us/departments/planspublicworks/planning/nhldandlighting.aspx
