The following question was received by the due date for questions and clarifications identified in the RFP (February 7, 2020). This addendum is considered part of the RFP.

**Clarifications – Bidder questions with response as follows:**

1) **Question:**

On page 17, under the title “3) Final Recommendations”, there is reference to an Economic Impact Study. This study is not identified anywhere else in the Scope of Work. Can you please elaborate on what will be included as part of the Economic Impact Study and what level of detail is needed to address this in the scope of work?

**Response:**

On page 17, the reference to an Economic Impact Study relates CUP goal #8, identified on page 4 of the RFP, which states: “Compile and summarize the economic impacts by the federal installations on the economy of Monterey County.” The scope of work does not envision a new economic study, but rather the compilation of existing economic data relevant to the CUP planning effort.

Proposals should be submitted to Kimberly Cole, Community Development Director of the Community Development Department at 580 Pacific Street, Monterey, CA, until **4:00 p.m. on Wednesday, February 26, 2020.**

If you have additional questions, please contact Project Manager by email at cole@monterey.org.

Sincerely,

Kimberly Cole, AICP
Community Development Director
